WHY MAPS?

Why do we use maps?
what is its purpose?

- visualize information
- easier to see
- we are convinced that a map is the best way of showing something

WE ARE SEEKING SOMETHING

Map of 1 person's life timeline...

What if WP is the map

Fractal view

If I get all details of 1 person's life in WP, march, does it describe the mini WP map?

Post hoc ergo propter hoc

1. Create a new (false?) story
2. or not correlation, (implication of things, not relationship between)
OF A PERSON'S LIFE → 1 DAY IN THE LIFE OF IRON D.
500 pg of 1 person for 1 day
