

JUNA

This is a short essay on friendship, sisterhood, and everything else that lies in between.

Here's to your Virgo Sun, Pisces Moon and my Pisces Sun, Virgo Moon.

Here's to our weekly Sunday FaceTime calls.

Here's to T-pain, Trey Sonz, and Hawaiian Rollercoaster Ride for bringing us closer. *cue I'm Sprung*

Here's to the advice, to reading my Tarot cards, to the laughs that hurt our stomachs and bought tears to our eyes, to the much-needed reality checks, to the endless hype, to the warmth, to the love, to the song recommendations, to feeling like home, to that one time you made me a playlist entitled "Tess's Jams" cause I kept requesting the same 8 songs.

Here's to us.

Here's to staying up till 4am on weeknights to watch Punk Rock and R&B music videos even though we both need to be up in the morning..
