

El Viaje

by Cecilia Pou Jov

Leaving becomes harder every time...
My relatives age...
My closest friends grow up without me...
I see bonicas suffer because of government
INCOMPETENCE AND CORRUPTION...
I feel closer and f u r t h e r away.
from my country
every day...

I like to think I'm
going to college in the
U.S. for Puerto Rico...
BUT AM I???

It's the **EGO**
MONSTER, BITCH!
TIME FOR A REALITY
CHECK ☹️

WHAT IN
THE SHIT

Don't forget that you also leave
b/c you wanna be mad successful.
Also you're tryna swerve most
of your bougie queerphobic
classist relatives. Also
you're tryna spite your
enemies w/ ur success.
Also weed is easier to find
at Williams ☹️

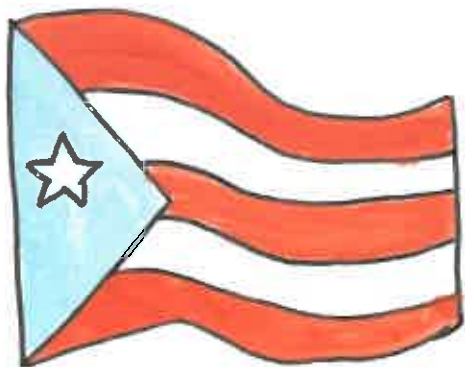

Oh god... I'm trash...

Cecilia, just admit that you are
a human being and that you are
important as well... 2

You can love your COUNTRY and
YOURSELF

(blag drawing isn't
my strong suit LOL)

Now take a selfie, binch
