The cost of allowing such er
to fail and attempting to rebuild
would be massive. The services p
ed by banks are important. They
fundamental role is to match tho
have capital with those in need of
their other activities, such as in
making a form of liquidity pro
also valuable, albeit more
relatively little to the upshot of all thi
approach will

community is so small, everyone
knows everyone, and it can get
awkward rather quickly if there
is a one-night stand (I am speaking
from personal experience). I've
made my peace with the fact that I
won't find my future husband until
I leave this campus for good.

After surviving a year here, I
realized that there are a couple of
things I needed to do to keep my
sanity in this modern world. Of
course, I still have to do things that
my parents did, like

January 30, 2013
White people are fucking
with white quilt like
white quilt like
imagine living with me instead
of what was done to your
ancestors and is currently
being done to your people

August 15, 2016
I hate her. Like, I don't know
if it's hate or what but I
don't think I'll ever say
“I love you” to her ever
again. And that is terrifying
not what else am I going to

September 19, 2017
I had my first meeting with
my new therapist today. She
gave me some good goals for
me next week mainly to take
space away from people who take
so much of my time. They don't
deserve my time or attention. I
need to reclaim my time and
prioritize myself

- All these**
- February 12, 2017
I think that if you were
your family is unsafe or
tort, then don't run
immediately and get
yourself healthy. Because
no one else but you can
do that.
- April 23, 2017
My productivity levels are
at an all time low. I tell ya.
- October 5, 2016
I had the strangest dream
last night that someone dyed
my hair like hello kitty black
and then gave me a “Wiz’s
the manager haircut but with
a more emo 2008 feeling.
- October 5, 2017
Whiteness is a very destructive
force that does not stop for
anyone. It just keeps going and
going like a hurricane. This
program is traumatizing and
being in Amsterdam is just
nonstop whiteness.
- October 25, 2016
I just woke up super mad and
like I wanted to punch someone.
I remember trying to talk to her
but she wouldn't listen. It was
so angry and I wanted to
cry. I felt so powerless.
- We should
approach finance,
like other

quickly that I
