

THE MINORITY COALITION

WHAT IS MINCO?

The Minority Coalition is a student-run organization created to be a unified voice against prejudice and discrimination that represents historically marginalized student populations relating but not limited to gender, religion, sexual orientation, race, ethnicity, and nationality. MinCo serves as a platform for collaboration between its steering board and members--subgroups, at-large and committee representatives.

GET INVOLVED

MinCo holds weekly General Committee meetings every Tuesday at 7 PM in Jenness House. Additionally, all subgroups usually have weekly general meetings. All are welcome. MinCo has a listserv through which information relating to MinCo and subgroup events, initiatives, and activities is distributed regularly. Each subgroup holds elections for MinCo reps in late spring. MinCo also holds elections for steering board positions in late spring. Further questions or concerns? Contact the co-chairs Rachel Hagler at rn11@williams.edu or Carrie Tribble at cmt2@williams.edu, or any of the current otherboard members or MinCo representatives.
